Letter to new Parents

Dear Parent/Guardian,

We look forward to welcoming your child to St. Mary's NS in the new term and we hope that he/she will be very happy here. We wish to inform you of the following changes that were implemented on our return to school in September 2020 to reduce the risk of spread of Covid-19 to staff and pupils. Junior and Senior infants are considered a bubble and within the bubble children will be sitting in groups (pods) of no more than six children in each pod.

Please take time to read all the following and familiarise your child with the arrangements that existed last September.

Return Date to School

Junior Infants:

Week 1: Tuesday, 31st August from 10 am to 11 am (Induction Day)

Wednesday to Friday from 10 am to 12.30 pm

Week 2: Monday to Friday from 10 am to 12.30 pm

Week 3: Monday to Friday from 9.20 am to 2.00 pm

All other classes: Wednesday, 1st September from 9.20 to 2.00 pm (senior infants) 3.00 pm (all other classes)

On Tuesday, 31st of August at 10 am your child will be met by their teacher, Mrs Debbie Coleman at the front entrance of the school. They will be shown to their classroom and will have time to meet the other children in junior infants. They may dress in their school tracksuit on their first day. There is no need to bring a school bag or lunch as they will be going home at 11am. In line with our school response plan to reducing the spread of Covid-19 Parents are asked to drop off their pupil at the front door and collect their child at 11 am. Unfortunately no parents are allowed into the school building.

Please check website for school calendar. www.crosserloughns.com/calendar/

Please note the following changes to reduce the risk of infection:

Sanitiser Dispensers

There are Sanitiser Dispensers installed throughout the school and pupils and staff will have to sanitise on entering and exiting classrooms and school.

Staggered Breaktimes

- Infants and 3rd & 4th class will have their breaks at 10:50 to 11:00 and 12:30 to 1:00. Infants will play on the small yard and 3rd & 4th class will play on the big yard. Pupils must remain in their designated area until the bell rings. Once the bell rings pupils will line up with their class standing on a spot to maintain social distancing. On entering their classroom they must sanitise their hands. If hands are very soiled they can be washed with soap and water in the classroom. Lunches are eaten after returning from the yard.

Toilets

- Pupils will use the toilets off their classroom during class and breaktimes.
 - 1st & 2nd class will use the toilets off the GP hall to avoid sharing with another class bubble.
- Pupils must wash hands with soap and water. Dry hands well with paper towels. Place the used paper towels in the bins provided.

Lunches

- Parents must ensure that children bring a healthy lunch and drink to school every day. Please remind your children not to share food or drink with other children. Before and after eating pupils will sanitise hands. Lunches must be eaten at their desk and all rubbish and leftovers will be brought home. Infants & 3rd & 4th will eat lunch after playing outside. Other classes will eat lunches before going out to play.

Coats

- Coats can be hung on back of chairs or on designated hook on coat racks.

Books, copies, pencils etc.....

- All personal belongings must be clearly labelled. Books should be covered in clear plastic and labelled. Books and personal items should not be shared. Pencil case items should remain in school. Extra items should be kept at home.

Uniforms

- We will follow usual practice in relation to school uniform and PE tracksuit. Uniforms should be worn everyday, except on PE days, or otherwise requested by teachers. School uniform or tracksuits should be taken off straight after the child arrives home from school for the day. **Please ensure your child's name is written clearly on their school tracksuit top and school jumper.**

Homework

- All homework should be completed to a high standard by each pupil and signed by parent/guardian. Pupils will be expected to learn spellings, tables, revise letter sounds, flash card words, and complete assigned reading tasks by each teacher. Please see school website to view our school's Homework Policy.

ICT

- A device will be available for every individual to use at school. Devices should be cleaned after use. Communication between class teacher and home will be done using Classdojo. Class teachers will set up new accounts for new pupils in September. Your child's classdojo account will be transferred to their new teacher when moving class.

Visiting Teachers/coaches

- We look forward to facilitating extra curricular activities such as Dancing, coaching for games, creative schools, etc in September. A local GAA coach will begin coaching the pupils in the second week of September for 4 weeks.

Physical Education

- Physical Education lessons will take place outdoors weather permitting. All classes will be encouraged to take breaks and participate in 'The Daily Mile'.

Parent/Teacher Meetings

- We will update you on Parent/Teacher meetings once we have received direction from the Dept. of Education. If a parent wishes to contact the teacher they may do so by communicating through classdojo or arranging a meeting over the phone with Brid, the school secretary. Parents should not try to speak with teachers on yard in the morning.

Appointments

- Please try to arrange dental or doctor appointments outside school hours.

Please view all the relevant documents and advice on our school website <https://www.crosserloughns.com> regarding Covid-19 response plan and any developments.

If you have any common symptoms of coronavirus (COVID-19), you should self-isolate and phone your GP straight away to get a coronavirus test. Parents are responsible for deciding on the fitness of their child to attend school.

Common symptoms of coronavirus include:

- a fever (high temperature - 38 degrees Celsius or above)
- a cough - this can be any kind of cough, not just dry
- shortness of breath or breathing difficulties
- loss or change to your sense of smell or taste – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

Travel Abroad

Government policy, which is based on official public health advice, continues to advise against non-essential travel overseas for everyone.

It is a requirement for anyone coming into Ireland, from locations other than those with a rating of 'normal precautions' ("green"), to restrict their movements for 14 days, and this includes school staff, parents and children or other students coming from abroad to attend school in Ireland.

Healthy Eating Policy:

Textbooks:

Our book rental scheme saves parents a lot of money, especially as children get older. Parents are notified of the cost of book rental in September. This money is then used to buy sets of books for the class which are used by the children in school. They are normally replaced because the books are out of date rather than because of the condition of the books. Parents of children who damage a book will be asked to replace the book. This year Parents are asked to buy some workbooks which are no longer on the school book rental scheme. These books are written into for homework and therefore cannot be used the following year. We are aware of the costs of new books and we can assist any parents who may need financial assistance in purchasing these workbooks. All books in **Junior and Senior infants** will be purchased through the school and parents will be notified of the cost of the books in September. Parents are expected to cover and label their child's books once they receive them in September.

Stationary List:

Please ensure your child has each item on the stationary list labelled and with them on the first day back in September. Please see below the stationary list for Junior infants.

We will continue to update parents and pupils via text-a-parent and our school website. Please ensure you have submitted 3 contact numbers and email address to office@crosserloughns.com for future correspondence. Finally, we want to thank you for choosing St. Mary's NS for your child's primary education and we look forward to meeting you in August.

Yours Sincerely,

Teresa Galligan, Principal
